

Burnley Caving Club, Meets List

2008

There is a wide range of caving trips organised this year by our Meets Secretary Simon Beck, as well as 'Lets Go Caving' trips (marked in green) for newer, less experienced or prospective new members. Any help with these would of course be appreciated. These trips will be organised on Thursday evening club meets. Ron and Patsy have also organised some easy novice trips to introduce newcomers to caving. These are marked in blue, again any assistance would be welcome. With such a wide range of caves to go at here is no excuse for not getting out there—so GET OUT THERE. Grades are taken from 'Northern Caves'

JANUARY
